Re: Federal government officials visits to Fairfax County

Our Re: 19-FOIA-770

Dear Tom Nash:

**Lt. Colonel**  
**Gun M. Lee**  
Deputy Chief of Police  
for Administration

Pursuant to your Virginia Freedom of Information Act request (VFOIA), it was found that the Fairfax County Police Department does not possess any such responsive materials based on the information you requested. You specifically requested the following:

*"Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present."*

**Emilie Voss**  
Director,  
Media Relations Bureau

All available databases were searched with negative results for records responsive to this request. Any records involving the federal government that the FCPD might possess, would be related to federal task force assignments which FCPD may be assigned to. These records would be exempt pursuant to section 2.2-3706(A)(2)(e) of the Code of Virginia. Records of law-enforcement agencies, to the extent that such records contain specific tactical plans, the disclosure of which would jeopardize the safety and security of law-enforcement personnel or the general public may be denied.

Compliance Manager,  
Media Relations Bureau
